## For Our Members' Comfort and Protection at the Meeting on Monday September 27th 2021

Due to the pandemic the Committee is asking members to adhere to the following conditions to help us keep you safe.

1. Numbers for meetings will be restricted to 40 people including the speaker.
2. Members must book their place by 6pm on the day before the meeting by phoning 01223 210724.
3. Meetings will be members only, we are still encouraging new members to join but they must have done so before the meeting. Membership will cost £5 for the 3 meetings in 2021.
4. Chairs will be spaced out individually.
5. To avoid crowding there will not be a raffle, library table or refreshments at the first meeting (the Committee hopes to establish these gradually in the next two meetings).
6. For the comfort and protection of all at the meeting, please wear a mask if you are able to.
7. To avoid overcrowding as members enter the Centre, bookings will be checked in the corridor leading from the entrance door as members come in by the Programme Officer and Secretary.
8. At the end of the meeting please leave gradually to avoid overcrowding in the corridor.

### Ventilation and Hand Sanitisation

There is now increased ventilation in the Centre which the Committee will control. Hand sanitisers will be available for members to use in the Hall. There are wipes in the toilets which St. Andrews encourages people to use.

### In the Future

The Committee will monitor the success of these procedures at the meeting and ask for feedback from members so that we can update them as necessary. As long as regulations allow we hope to hold the following two meetings

- Monday October 25th at 7.30pm - Michelle Bullivant gives another Cherry Hinton Talk
- Monday November 29th at 7.30pm - AGM and Social Evening

*If you feel unwell or have any symptoms of Covid-19 please do not come to the meeting. Stay at home and follow the Government Guidelines. Thank you,*
